

ECHO VALLEY

Nature & Bike Trails

ECHO HILLS ROAD

Approximately 2km West of Dwight
Access off of Hwy 60

READ THIS...

This is an advanced recreational trail system. Even "easy" trails contain obstacles. Users should be warned that trail conditions are subject to rapid changes due to weather, bike and hiking traffic and other factors. These trails require physical fitness and technical skill. Ride/hike with caution and have fun! **ALWAYS WEAR A HELMET**

To report a problem please contact
TOWNSHIP OF LAKE OF BAYS (705) 635-2272
