

# Old Stone Road Trail

**Location:** Take Hwy 169 from Gravenhurst to North Muldrew Lake Road. Follow North Muldrew Lake Road to the Trail-head... distance to Trail-head is long so keep driving!

**Length:** 6 kms

**Facilities:** roadside parking

**Type of Trail:** hiking, biking & snowshoeing

**Surface Type:** earth/stone path, wood chip

**Description:** An original colonization road, this historical route was once an alternative spring route between Bala and Gravenhurst. Imagine the wagon traffic of bygone times while strolling among the pine and spruce that grow along one of Muskoka's original roads. Paths of stone mark the trail and huge weathered boulders mark time past.
